

Christmas Wish

by Randy Sparks and sung by Anne Murray

A E7 A
If I had my way this Christmas
D E7 A
If all I would wish could be
D E A F#m
Of all the great wishes in a wonderful world
Bm E7 A
I'd only ask for three

If I could have three wishes
If my first wish came true
There'd be peace on earth, good will among men
And love in all that we do

A Gdim
Can you imagine a world like that
D E A
What a wonderful world it would be
D E A F#m
And then I would wish it could go on forever
Bm E7 A
For people like you and me

If I had my way this Christmas
And if the two others came true
My third wish would be, for now and forever
To share all my wishes with you

My third wish would be, for now and forever
To share all my wishes with you
