

# Don't Think Twice It's Alright by bob Dylan}

[D] Well it ain't no use to [A] sit and wonder [Bm] why babe  
[G] If you don't know by [D] now [A7]  
[D] And it ain't no use to [A] sit and wonder [Bm] why babe  
[E7] It don't matter any [A] how [A7]  
[D] When your rooster crows at the [D7] break of dawn  
[G] Look out your window and [E7 or E9] I'll be gone  
[D] You're the [A] reason I'm [Bm] travelling [G] on  
But [D] don't think [A] twice it's [D] alright

          D                  A                  Bm      Bm  
And it ain't no use in turning on your light babe  
G      G                  D      A7  
  That light I never knowed  
          D                  A                  Bm      Bm  
And it ain't no use in turning on your light babe  
E7      E7                  A      A7  
I'm on the dark side of the road  
          D                  D                  D      D7  
I wish there was something you would do or say  
          G                  G                  E      E9 or E7  
To try and make me change my mind and stay  
          D          A                  Bm          G  
But we never did too much talking anyway  
          D          A7          D      D  
So don't think twice it's alright

And it ain't no use in calling out my name babe  
Like you never did before  
Ain't no use in calling out my name babe  
I can't hear you any more  
I'm thinking and a-wondering, away down the road  
I once loved a woman, a child I'm told  
I gave her my heart but she wanted my soul  
But don't think twice it's alright

I'm walking down that long lonesome road babe  
Where I'm bound I can't tell  
But goodbye is too good a word babe  
So I'll just say fare thee well  
I ain't saying you treated me unkind  
You could have doen better but I don't mind  
You just kinda wasted my precious time  
But don't think twice it's alright
