

Happy Together by The Turtles

Intro A _ _ _ G _ D _ A _ _ _ C _ _ _

Am **Am**
Imagine me and you, I do
I think about you day and night, it's only right
To think about the girl you love, and hold her tight
So happy together

Am **Am**
If I should call you up, invest a dime
And you say you belong to me, and ease my mind
Imagine how the world could be, so very fine
So happy together

Chorus:

A **G** **A** **C**
I can't see me loving nobody but you for all my life
A **G** **A** **C**
When you're with me, baby the skies'll be blue for all my life

Am **Am**
Me and you, and you and me
No matter how they tossed the dice, it had to be
The only one for me is you, and you for me
So happy together

E **Am**
So happy together
E **Am**
So happy together
E **Am**
How is the weather
E **Am**
So happy together
E **Am**
We're happy together
E **Am**
So happy together
