

If I Needed You (Emmy Lou Harris)

C

If I needed you

Would you come to me

F

Would you come to me

G C

For to ease my pain

C

If you needed me

I would come to you

F

I would swim the seas

G C

For to ease your pain

C

Well the night's forelorn

And the morning's born

F

And the morning shines

G C

With the lights of love

C

And you'll miss sunrise

If you close your eyes

F

And that would break

G C

My heart in two

C

If I needed you

Would you come to me

F

Would you come to me

G C

For to ease my pain

C

If you needed me

I would come to you

F

I would swim the seas

G C

For to ease your pain

SOLO

C

Baby's with me now

Since I showed her how

F

To lay her lilly

G C

Hand in mine

C

Who would ill agree

She's a sight to see

F

A treasure for

G C

The poor to find

C

If I needed you

Would you come to me

F

Would you come to me

G C

For to ease my pain

C

If you needed me

I would come to you

F

I would swim the seas

G C

For to ease your pain
