written by Randy Meisner, Don Henley, Glenn Frey, The Eagles

Intro: D D G G D D A G

D D G G  
All alone at the end of the evening  
D D G G  
And the bright lights have faded to blue  
D F#7 Bm  
I was thinkin' 'bout a woman who might have loved me  
Bm A A/G D/F#  
And I never knew  
A D D G  
You know I've always been a dreamer Spent my life running round  
G D D G  
And it's so hard to change Can't seem to settle down  
G Em Em  
But the dreams I've seen lately,  
G G GaddA A G/A A  
Keep turnin' out and burnin' out & turnin' out the same

## Chorus

G D G D  
So put me on a highway & show me a sign  
G A D D G G D D A G  
And take it to the limit one more time

D D G G  
You can spend all your time making money  
D D G G  
You can spend all your love making time  
D F#7 Bm Bm A A/G D/F#  
If it all fell to pieces tomorrow would you still be mine  
A D D G  
And when you're looking for your freedom nobody seems to care  
G D D G  
And you can't find the door, can't find it anywhere  
G Em Em G  
When there's nothin' to believe in  
G GaddA A G A  
Still you're commin' back, you're runnin' back, you're commin' back for more
