To let my little light shine

Let it shine 'till Jesus comes,
I'm gonna let it shine...

Everywhere I go, I'm gonna let it
shine (3x)
I let it shine to show my love

Even in my home, I'm gonna let it
shine (3X)
I let it shine to show my love

When I see my neighbor coming
I'm gonna let it shine (#X)
I let it shine to show my love

Now some say you got to run and hide,
But we say there's no place to hide.
And some say let others decide,
But we say let the people decide.
Some say the time's not right,
But we say the time's just right.
If there's a dark corner in our land,
You gotta let your little light shine.

Light that shines is the light of love,
Hides the darkness from above,
Shines on me and it shines on you,
Shows you what the power of love can do.
Shine my light both bright and clear,
Shine my light both far and near,
In every dark corner that I find,
Let my little light shine.
