Don't know much about a science book,

Don't know much about the French I took

G **C**
But I do know that I love you

G **C**
And I know that if you love me too

D **G**
What a wonderful, world this could be

Don't know much about geography [**G Em**]

Don't know much trigonometry [**Am D**]

Don't know much about algebra [**G Em**]

don't know what this slide rule is for [**Am D**]

But I do know one and one is two [**G C**]

And if this one could be with you [**G C**]

Now I don't claim to be an 'A' student,

Am7 **D7**
I could win your love for me

Don't know much about the middle ages [**G Em**]

Look at the pictures and I turn the pages [**Am D**]

Don't know nothing 'bout no rise and fall [**G Em**]

Don't know nothin' 'bout nothing at all [**Am D**]

Girl it's you that I've been thinking of [**G C**]

And if I could only win your love [**G C**]

What a wonderful world this would be [**D G**]
