

## When I'm Sixty-Four by the Beatles

**C**                    **C**                    **C**                    **G7**  
When I get older, losing my hair, many years from now,  
**G7**                    **G7**                    **G7**                    **C**  
will you still be sending me a Valentine, birthday greetings, bottle of wine?  
**C**                    **C**                    **C7**                    **F**  
If I'd been out 'till quarter to three, would you lock the door?  
**F**                    **Ab7b5**                    **C/G**                    **A7**                    **D9**                    **G7/6** **C**  
Will you still need me, will you still feed me, when I'm sixty- four

**Am**                    **Am**                    **G**                    **Am**                    **Am**                    **Am** **E** **E**  
Hmm-----mmm-----mmmh. You'll be older, too.

**Am** **Am**                    **Dm**                    **Dm** **F**                    **G7**                    **C** **G** **G**  
Aaah, and if you say the word, I could stay with you.

**C**                    **C**                    **C**                    **G7**  
I could be handy, mending a fuse, when your lights have gone.  
**G7**                    **G7**                    **G7**                    **C**  
You can knit a sweater by the fireside, sunday mornings, go for a ride.  
**C**                    **C**                    **C7**                    **F**  
Doing the garden, digging the weeds, who could ask for more?  
**F**                    **Ab7b5**                    **C/G**                    **A7**                    **D9**                    **G7/6** **C**  
Will you still need me, will you still feed me, when I'm sixty four?

**Am**                    **Am**                    **G**                    **Am**  
Every summer we can rent a cottage in the Isle of Wight if it's not too dear.  
**Am**                    **Am**                    **E** **E**  
We shall scrimp and save.  
**Am** **Am**                    **Dm**                    **Dm** **F**                    **G7**                    **C** **G** **G**  
Aaah, grandchildren on your knee, Vera, Chuck, and Dave.

**C**                    **C**                    **C**                    **G7**  
Send me a postcard, drop me a line stating point of view.  
**G7**                    **G7**                    **G7**                    **C**  
Indicate precisely what you mean to say, yours sincerely wasting away.  
**C**                    **C**                    **C7**                    **F**  
Give me your answer, fill in a form, mine forever more.  
**F**                    **Ab7b5**                    **C/G**                    **A7**                    **D9**                    **G7/6** **C**  
Will you still need me, will you still feed me, when I'm sixty four?
