

Rocket Man by Elton John

[Em7] She packed my bags last night - pre- [A9] flight

[Em7] Zero hour, nine A. [A9] M.

[C] And I'm gonna be [G/B] high [Am] as a [Am/G] kite by [D/F#] then

[Em7] I miss the earth so much, I miss my [A9] wife

[Em7] It's lonely out in [Asus] space

[C] On such a [G/B] time [Am] less [Am/G] flight [D/F#]

[G] And I think it's gonna be a long long [C] time

Till touchdown brings me 'round again to [G] find

I'm not the man they think I am at [C] home

Oh no, no, [G/B] no, I'm a [A7] rocket man

[C] Rocket man, burnin' out his fuse up [G] here alone

Mars ain't the kinda place to raise your kids

In fact it's cold as hell

And there's no one there to raise them if you did

And all this science, I don't understand

It's just my job five days a-week

Rocket man - - - rocket man

And I think it's gonna be a long long time

Till touchdown brings me 'round to find

I'm not the man they think I am at home

Oh no, no, no, I'm a rocket man

[C] Rocket man, burnin' out his fuse up [G] here alone [G7]

[C] And I think it's gonna be a [G] long long time [G7]

[C] And I think it's gonna be a [G] long long time [G7]

[C] And I think it's gonna be a [G] long long time
